Magic Tilt Trailers is now offering its CA (Custom Aluminum) trailer in an all welded frame and welded fixed bunk configuration. We are so confident this product will result in the "Perfect Fit" for the designated boat model that we will guarantee it! If we deliver a CA trailer and it is not manufactured to the designated Magic Tilt "Perfect Fit," we will take it back and replace it with a new trailer at no cost to you the customer! Please contact your local Magic Tilt sales rep or call our inside sales team for more details on this unique program.
